You are probably aware that Jamie Green, Erin Weekly, Ed Buckner, and others have been working with NDEE on this facility for some months. This call was already scheduled to be held with that group and we were added.

Lynn/David/Ken,

We are having a call at 3:30 pm today with EPA Enforcement and Legal Counsel staff concerning the AltEn ethanol plant near Mead, Nebraska. The MS Teams meeting link to the call is at the bottom of the email chain. If you are available, we would like the EPA Superfund program to participate in this call as well. Please see the attached media articles for some background on the site. Please let me know if you are able to sit in on the call, thanks!

**Subject:** AltEn- Meeting with EPA Region 7

Region 7 requested a meeting for an update on AltEn. It is set for Monday, January 25, at 3:30 p.m. They are especially interested in the ground water monitoring results which we sent them. If you can't make it, please make sure someone in your area can report.

Thanks,  
Susan
